1) Serenity Prayer

2) GSR Preamble

As the General Service Representatives, we are responsible
To be informed about how all the parts of AA fit and work together
And to practice the principles of the Steps, Traditions and Concepts in all of our service work.
We are the link in the chain of communication between our groups and the world of AA.
As trusted servants, we bring shared AA experience to our groups
In order to help them reach an informed group conscience.
In passing along the group conscience, we are helping to maintain the unity and strength so vital to our fellowship.
Let us, therefore, have the patience and tolerance to listen while others share,
The courage to speak up when we have something to share,
And the wisdom to do what is right for our groups and AA as a whole.
